Drunkula: It is of no importance. You will be the first voo-er...vampire. Allow me to demon-strate!

He leans forward and suddenly explodes in fire. The woman looks around to see Megaman standing next to her, wearing his power-suit (which has now been fitted with a time-travel device)

Megaman: (smiling) Don't worry, miss. There wont be any vampires now. (to himself) Or any vampire slayers...

He disappears. Clip of the space-time continuum shaking. Cut to titles.

Title Music Lyrics

*Someone's kicking ass tonight,
We're gonna slay and do things right,
The Team of Legends is here right now,
And ready to cook your zombie cow!*

*This is the Saga of the Slayer,
Hilarious Birthright – sworn to protect,
Zero must stand tall – must be brave,
Because those vampires like fresh neck.*

*A Demon is a tricky bleeder,
Until it meets this Team's leader,
If he hasn't banished it within an hour,
At least he'll show it one mean glower.*

*This is the Saga of the Slayer,
Hilarious Birthright – sworn to protect,
Zero must stand tall – must be brave,
Because those vampires like fresh neck.*

*So when you walk those streets at night,
Don't worry if you get a fright,
The Team will save you from any trouble,
Though they may reduce your house to rubble.*

Starring

The Team

Zero72 is the Slayer,
Nutter is his Mentor,
Root's secret is finally out,
Count Ferrell-Envelope seems normal enough,

Count Ferrell-Envelope: It's no use, the forces of darkness are sure to beat us! With that Megaman putting all of the supernatural forces under his control, we can't win!
Casket: We'll be fine. After all, we're practically super heroes! I mean – only ordinary people like that Betong...Oosna...Assna...that Betong guy from AREF are going to die.

Count Ferrell-Envelope: But I'm an ordinary person...

Casket: (slapping him around the back) Well, it was nice knowing you.

Bracket: (in an authoritative voice) Now, come on – Envelope, Casket. Nobody is going to die. Not on my Team's patrol!

Root: Uh, to be fair – people have already died.

Pillow: Like that Betting Oozena...Annsa...that Betting guy!

Bracket: (losing his authoritative advantage) Uh, well...yes...but...

Nutter: (interrupting) And this isn't really your team, it's mine! We only enlisted you because we needed all the help we could muster and you kept volunteering.

Bracket: It's a valid point...

Casket: And we don't even like you.

Bracket: Well then it's a good job I gave all your coordinates to the Megaman, isn't it?

All (besides Bracket): You did what?

The door smashes open and hordes of monsters, demons, etc pour through, lead by Megaman in his super-suit. Cut to the Open Discussion Pub.

Paul.Power: This isn't right, this isn't right at all.

Run: What isn't?

Paul.Power: You... you're not supposed to be here.

Run: Then where am I supposed to be?

Paul.Power: Dead. Turned into a vampire and then slain by BetongÅsna.

Run: Vroompire? Beating Isnar? What are you talking about, Paul?

Paul.Power: Never mind. (to Spadge) Where's Zero?

Spadge: What, the crazy artist-fellow? (Pause) He hasn't been in for a week. From what I heard – his pictures haven't been selling too well recently.

Paul.Power: Where can I find him?

Spadge: I couldn't tell you that... (Paul.Power slips him a chocolate bar) Alright, No.27 – Main Street. But be careful, when he's painting he can get kind of...cranky.

Paul.Power: Cranky?

Spadge: Let's just say that it's best his paint brushes keep to painting rather than...uh... being inserted into things.

Paul.Power: Ouch...

Spadge: Indeed.

Paul.Power runs out into the street. A big "Re-elect HAL 9000 – The Only Logical Choice" sign eclipses the local neighbourhood.

Paul.Power: What kind of sick...twisted world have I entered into? (to a Salesman who is selling cans of drink on the street) Hey, what drinks have you got?

Salesman: Diet Cock, Shite, Red Bollocks and Kilt.

Paul.Power: (shuddering) Errrgghhh...

Salesman: What? Everyone loves a good Kilt. It's the 'totally topical taste'.

Cut to Team members being held over a vat of acid.

Megaman: You know – I'm *really* going to enjoy this. Nobody can save you now, Ha ha ha ha.

Count Ferrell-Envelope: That's where you're wrong. Alvin – Ghoul Buster will save us!

Megaman: Who?

Pillow: Only the bravest human alive. (sighs) He's so dreamy.

Nutter: And he can...well, to be fair - he can kick some undead butt.

Megaman: Wait a minute...what does this Alvin kid look like?

Pillow: Why doncha look behind you and find out!

Megaman turns around to see a small man wearing a green super-hero costume.

Megaman: (without enthusiasm) You have got to be kidding me...

Alvin – Ghoul Buster: This is no joke, Megaman! Release the prisoners and nobody will get hurt!

Megaman: Uh-huh. And you're absolutely sure that you want me to release them?

Alvin – Ghoul Buster: Well... that Casket kid is a bit of a jerk but yeah...what the heck?

Megaman: Okay, you've got it. (he presses a button and the Team are released causing them to fall into the vat of acid and disappear) There you go – released em.

Alvin – Ghoul Buster: Curses! I wasn't expecting that.

Megaman: Yeah, well I wasn't expecting to be so damned good looking... but what can one do?

Alvin – Ghoul Buster: Only fight....fight for what is right! (he starts posing and is shot)

Megaman: Thanks, Fallengel.

Fallengel: No problem, sir.

Cut to inside a house – a darkened room. Zero72 is seen painting something on a large canvas, paint is splattered around the room as are various other paint cans, brushes, etc...

Zero72: The art....(screaming) THE ARRRRRRRRRRRRRRRRRRRRRRT!

Suddenly a car smashes through the wall.

Zero72: Oh for freaking Glod's sake! I just had that wall redecorated!

Paul.Power: (stepping out of the car) ZEOR!, We've got to go back!

Zero72: Back where?

Paul.Power: Back to the Future! (Pauses) No, wait...back in time. That's what I meant. You can't go back to the future...not unless you've already been there and then it's still technically forward. (abruptly) Anyway, the point of the matter is I'm going back in time in this contraption (indicating the car) and you're coming with me!

Zero72: (reluctantly) Well, there's nothing good on TV... And this painting of a Polar Bear in a snowstorm isn't looking exactly how I'd imagined it so....Okay.

Paul.Power: Hop in!

Zero72 hops in and the car zooms through time, disappearing from view. Cut to inside the time-tunnel, inside the car.

Zero72: So...why are we going back in time?

Paul.Power: It's a bit hard to explain but let's just say that we have to save the vampire race from an early extinction.

Zero72: Ah...(Long Pause) What's a vampire?

Paul.Power: It's an evil undead creature that feasts on human blood.

Zero72: Ah...(Long Pause) So why do we want to save them from extinction?

Paul.Power: So that you can kill them when they threaten mankind.

Zero72: Ah...(Long Pause, puzzled) Now, I'm really confused.

Paul.Power: You and me both! I still can't work out how I managed to get this time-machine to work on the power of my imagination alone. (Pause) That and a few bottles of Kilt.

They arrive in the street outside the pub that Drunkula entered.

Paul.Power: (stepping out of the time-machine) Right, according to my calculations, you have exactly ten minutes until the demon who starts the vampire-race appears. Now all you have to do is distract his assailant long enough so that the demon can turn someone into a vampire. Once he's done that, the time-meddler will have failed as when the vampire-race has come into existence, it can never be extinguished and thus Slayers will emerge.

Zero72: (stepping out of the car) Slayers?

Paul.Power: Just carry out the damned mission, okay?

Zero72: And what are you going to be doing while I'm doing all this?

Paul.Power: I must return to the future and my time-proof room so that I can see if the project was a success. Also, I want to watch last night's episode of "The Simpsons" that I recorded.

Zero72: Don't you mean "The Impsons"?

Paul.Power: (ignoring him, getting back in the car) Good Luck, Zero. (Pause, saluting) And Glod Speed! (he disappears with the car)

Zero72: Well, It looks like it's up to me now... (he walks into the pub)

Cut to inside pub.

Caption: Ten Minutes Later...

Drunkula: A-ha! *She* shall be the first of the vroompires! I shall bite her and contract her with the venom that will start it all, then she will die and be reborn as one of the undead! Bwahahaha! She will then have an unquenchable yearning for the blood of her kin, she shall bite them and pass on the *curse*. Soon, I shall have created a mighty army of *EVIL! E-Villllllllleeeeeee!*

Man next to him: Um, who are you talking to?

Drunkula: My words go out to nobody in particular but to the earth in general. For this mortal plain will soon know of the horrors of DRUUNKUULA!

Man next to him: Dracula, eh? And what were those other things you were talking about? Vampires?

Drunkula: No, vroompires. (Pause) But now you mention it, 'vampires' is a better name for the dark forces which I am about to unleash. (Pause) I must kill you, to prevent you from telling anyone you gave me the idea, sorry for the inconvenience. (he smashes the man over the head with a stool) Bwahahaha! Now to seek my pre-ee-y!

He approaches the woman in the corner. The camera moves to Megaman who appears and spots Drunkula moving.

Megaman: Drunkula, you fool. Soon you will be dead (Pause) And I'm not talking about the 'un' variety. (he starts to move in the same direction as Drunkula then abruptly stops) That's odd... my leg seems to be stuck on something... but what? (he turns around to find Zero clinging to his leg in a desperate attempt to pull him back) Zero72?

Zero72: Megaman...I should've known.

Megaman: Ha ha ha ha. Do you really think that you're in a position to prevent my plan in your non-Slayer state?

Zero72: No, I don't. But I think he is.

Slo-mo: Megaman turns to see Drunkula biting the woman. Megaman's mouth opens and seems to scream "NOOOOOOOOOOO". Drunkula wipes his mouth, turns to the door and disappears. A doctor rushes to the aid of the woman (it is of course too late). Zero vanishes from existence with a smile on his face. Megaman looks angry. Cut to Paul.Power's lab. His lab's walls shake and then stop.

Paul.Power: Now to see if it worked! (he opens the door, walks and up to the bar)

Spadge: Hi, Paul.

Paul.Power: Spadge, this is going to sound weird but are Run and K^2 alive?

Spadge: (concerned for Paul's sanity) Uh...No of course not, they were killed by vampires and then staked.

Paul.Power: (breathing a sigh of relief)Oh, I'm so relieved. (Pause) So everything's back to normal.

Spadge: Shh! I'm trying to listen to the Prime Minister's speech.

On the Radio: (in an Australian accent) What we all need is more kangaroos. They can be quite a handful though so you'd better make sure you.... (singing) *Tie your kangaroo down, sport. Tie your kangaroo down. Tie your kangaroo down, sport. Oh, tie your kangaroo down!*

Cut to P.A.I.N HQ.

Megaman: (appearing) Damn it!

Dr. Scotch: What's the matter?

Megaman: The whole time-travel thing didn't work out.

Dr. Scotch: Well, I'm sorry but there are just too many possible things that can go wrong when it comes to time-travel.

Megaman: I know. That's why I want you to commence work on Project Lock & Load.

Dr. Scotch: (concerned) Are you sure it's come to that?

Megaman: Oh...it's come to that, alright.

Dr. Scotch: Very well, sir. (he leaves)

Megaman: (muttering) Damn you, Zero.

Cut to Team HQ. All the Team members are lying around sleeping. Zero looks fondly on.

Zero72: (smiling) Sleep tight, you loonies... Sleep tight.

He switches the light off. Cut to credits.

The P.A.I.N Files –Project Report: #999

Project Title: The Arthur Conan Doyle Project

Stages: 3.

Project Leader: Doctor Scot Scotch.

Objective: Preventing the existence of vampire Slayers so that Megaman could take over the world.

Summary: Stage 1 was the research stage for the construction of Dr. Scotch's patented Time-Travel device. Stage 2 was the stage where Megaman went back in time to kill Drunkula before he infected the first human. Stage 3 was world domination.

Current Project Status: Terminated due to Project Failure in Stage 2.
